The design of the Radial lamp was inspired by 3D puzzles from our youth. All elements are cut from a PET felt panel and puzzled into this lamp. The Radial lamps are constructed with an ABS fluorescent holder and a Philips ProCore 1500 mm LED TL.

SPECIFICATIONS

Material

PET Felt

Standard colour option

Dark Grey

PE - lustre terminal

Galvanized steel and screws

PE electrical plug

Philips CorePro1500 mm LED TL
20W 840, 4000 Kelvin

PET FELT

PET Felt is made from recycled plastic bottles turned into a soft yet sturdy felt material. It is long lasting, UV stabilized and sound-dampening. PET Felt is both recycled and recyclable.

COLOURS

Slight colour deviations can occur since the PET Felt panels are made from recycled fibers.

ADDITIONAL INFORMATION

The lighting fixture has been designed, produced and tested according to European safety regulations (EN-60598 / CE). All used components are UL registered. Changes in design and technical specifications reserved.
